

Fill in the gaps

I swapped my innocence for pride		Mascara bleeds into my eye
Crushed the end within my stride		I'm not cold
Said I'm strong now I know that I'm a leaver		I am old
I love the sound of you walking away		At least
Mascara bleeds a (1)	tear	As old as you are
And I am cold		As you walk away?
Yes, I'm cold		As you (7) away
But not as cold as you are		My headstone crumbles down
I love the sound of you walking away		As you (8) away
Why don't you walk away?		The Hollywood winds a-howl
Why don't you (2) away?		As you walk away
No buildings will fall down		The Kremlin's falling
Why don't you walk away?		As you walk away
No quake will split the ground		Radio Four is STATIC
Why don't you walk away?		As you walk away
The sun won't (3) the sky		The stab of stiletto
Why don't you walk away?		On a silent night
Statues (4) not cry		Stalin Smiles
Why don't you (5) away?		Hitler laughs
I cannot turn to see those eyes		Churchill claps
As apologies may rise		Mao Tse Tung
I must be strong and (6) an unbel	iever	on the back
And love the sound of you walking away
