

## Fill in the gaps

When you're talkin' to yourself	So what'll happen to us baby	
And nobody's home	Guess we'll have to wait and see	
You can (1) yourself	When I (6) out all the reasons	
You came in this world alone	Maybe I'll find another way	
(Alone)	Find another day	
So nobody ever told you baby	With all the changing seasons of my life	
How it was gonna be	Maybe I'll get it right next time	
So what'll happen to you baby	An now that you've been broken down	
Guess we'll have to wait and see	Got your head out of the clouds	
One, two	You're back down on the ground	
Old at heart but I'm (2) 28	And you don't talk so loud	
And I'm much too young	An you don't walk so proud	
To let (3) break my heart	Any more, and what for	
Young at heart but it's getting much too late	Well I jumped into the river	
To find ourselves so far apart	Too many times to make it home	
I don't know how you're s'posed	I'm out here on my own, an drifting all alone	
To find me lately	If it doesn't show (7) it time	
An what more could you ask from me	To read (8) the lines	
How could you say that I (4) needed you	'Cause I see the storm getting closer	
When you took everything	And the waves they get so high	
Said you took everything from me	Seems everything we've ever known's here	
Young at (5) and it gets so hard to wait	Why must it drift away and die	
When no one I know can seem to help me now	I'll never find anyone to replace you	
Old at heart but I mustn't hesitate	Guess I'll (9) to make it thru, (10)	time-
If I'm to find my own way out	Oh this time	
Still talkin' to myself	Without you	
And nobody's home	I knew the storm was getting closer	
(Alone)	And all my friends said I was high	
So nobody ever told us baby	But everything we've ever known's here	
How it was gonna be	I never wanted it to die
