When you're talkin' to yourself	So what'll happen to us baby
And nobody's home	Guess we'll (5) to wait and see
You can fool yourself	When I find out all the reasons
You came in this world alone	Maybe I'll find another way
(Alone)	Find another day
So nobody ever told you baby	With all the changing seasons of my life
How it was gonna be	Maybe I'll get it right next time
So what'll (1) to you baby	An now that you've been broken down
Guess we'll have to wait and see	Got your head out of the clouds
One, two	You're back down on the ground
Old at heart but I'm only 28	And you don't (6) so loud
And I'm much too young	An you don't walk so proud
To let love break my heart	Any more, and what for
Young at heart but it's getting much too late	Well I jumped into the river
To (2) ourselves so far apart	Too (7) times to make it home
I don't know how you're s'posed	I'm out here on my own, an drifting all alone
To find me lately	If it doesn't show give it time
An what (3) could you ask from me	To read between the lines
How could you say that I (4) needed you	'Cause I see the (8) getting closer
When you took everything	And the waves (9) get so high
Said you took everything from me	Seems (10) we've ever known's
Young at heart and it gets so hard to wait	here
When no one I know can seem to help me now	Why must it drift away and die
Old at heart but I mustn't hesitate	I'll never find anyone to replace you
If I'm to find my own way out	Guess I'll have to make it thru, this time- Oh this time
Still talkin' to myself	Without you
And nobody's home	I knew the storm was getting closer
(Alone)	And all my friends said I was high
So nobody ever told us baby	But everything we've ever known's here
How it was gonna be	I never wanted it to die
