

Fill in the gaps

Living In Another World by Talk Talk

Better parted	I can't (11) myself
I see people crying	When I see tenderness (12) you
Truth gets harder	(13) (Forget)
There's no (1) in lying	That (14) (15) up was
Help me	(16) meant (Forget)
Find a way from this maze	But only angels (17) before they tread (Forget)
I can't help myself	(living in another world to you)
When I see tenderness before you left (Forget)	(living in another (18) to you)
That even breaking up was (2) meant (Forget)	(living in another (19) to you)
But (3) angels look before (4) tread	(Instrumental)
(Forget)	Help me
(living in (5) to you)	Find a way from this maze
(living in another (7) to you)	I'm living in another (20) to you
(living in another world to you)	and I can't help myself
Better parted	Did I see (21) where you saw hell?
I see people hiding	(Forget)
Speech (8) harder	Did I see angels in the hand I held? (Forget)
There's no (9) in writing	God only knows what (22) of (23) you'd
Help me	(24) (Forget)
Find a way from (10) maze	(living in another (25) to you)
	(living in another world to you)
	(living in another world to you)
