

## Fill in the gaps

Oh yeah, Oh yeah!	Girl you really got me bad, you (15) got me
So (1) of breaking it, but you won't let it bend	bad
And I wrote two hundred letters, I won't ever send	I'm gonna get you back, gonna get you back
Somehow it is cut so much deeper then they seem	Say (16) faith is shaken you may be mistaken
You'd rather cover up I'd (2) let (3)	You (17) me (18) awake and waiting for
be	the sun
So let me be and I'll set you free	I'm (19) and confused so far
I am in misery, (4) ain't no other	(20) from you
Who can comfort me	I'm getting here don't care where I have to go
Why won't you answer me?	Why do you do what you do to me, yeah
Your silence is slowly (5) me	Why won't you answer me, answer me yeah
Girl you (6) got me bad, you really got me bad	Why do you do what you do to me yeah
I'm (7) get you back, gonna get you back	Why won't you answer me, answer me yeah
Your (8) skin and how it (9) in with	I am in misery, there ain't no other
mine	Who can comfort me
The way it (10) to be completely intertwined	Why won't you (21) me?
It's not that I didn't care, It's that I didn't know	Your silence is slowly killing me
It's not (11) I didn't feel, It's what I didn't show	Girl you really got me bad, you really got me bad
So let me be and I'll set you free	I'm (22) get you back, gonna get you back
I am in misery, there ain't no other	Girl you really got me bad, you (23) got me
Who can (12) me	bad
Why won't you (13) me?	I'm gonna get you back, gonna get you back
Your silence is slowly (14) me
