## Breaking The Law by Judas Priest

## Fill in the gaps

| There I was completely wasting, out of work and down     |
|--|
| all inside it's so (1) as I drift from town to town      |
| feel as though (2) if I live or die                      |
| so I might as well begin to put some action in my life   |
| Breaking the law, breaking the law                       |
| breaking the law, (4) the law                            |
| breaking the law, breaking the law                       |
| breaking the law, breaking the law                       |
| So much for the golden future, I can't even start        |
| I've had every promise broken, there's anger in my heart |
| you don't know what it's like, you don't have a clue     |
| if you did you'd (5) (6) the (8) thing too               |
| Breaking the law, breaking the law                       |
| You don't know what it's like                            |
| Breaking the law, breaking the law                       |
| Breaking the law   |
