Diamonds & Rust by Judas Priest

I'll be damned, (1)_____ comes your ghost again

but that's not unusual

it's just that the moon is full

and you decided to call

And here I sit, hand on the telephone

hearing the voice I'd known

a couple of light years ago

headed straight for a fall

But we both know what memories can bring

they bring diamonds and rust

yes we both know what memories can bring

they bring diamonds and rust

Now I see you standing with brown leaves all around and snow in (2)_____ hair

now we're smiling out the window of the crummy (3)_____ over washington square

our breath comes in white clouds, mingles and (4)_____ in the air

speaking strictly for me we both could've died then and there

Now you're telling me you're not nostalgic

then give me another (5)_____ for it

you were so good with words

and at keeping things vague

Cause I need some of that (6)_____ now

it's all come back too clearly, yes, I love you dearly

and if you're offering me diamonds and rust, I've already paid

But we both know what memories can bring

they bring diamonds and rust

yes we both know (7)_____ memories can bring

they bring (8)_____ and rust

Diamonds, diamonds and rust

diamonds, diamonds and rust

diamonds, diamonds and rust

diamonds, diamonds and rust
