Winding (1) way down on (2) Street	He (18) the door, he's got that look on his face
Light in your head and dead on (3) feet	And he asks (19) you've been
Well (4) crazy day	You tell him who you've seen
You'll (5) the (6) away	And you talk (20) anything
And forget (7) everything	He's got (21) dream about (22)
This (8) desert makes you (9) so cold	some land
It's got so (10) people but it's got no soul	He's gonna give up the booze and the one night stands
And it's taken you so long	And then he'll settle down
To find out you were wrong	In some (23) (24) town
When you thought it held everything	And forget about everything
You used to think (11) it was so easy	But you know he'll always (25) moving
You used to say (12) it was so easy	You know he's never gonna stop moving
But you're trying, you're (13) now	'Cause he's rolling, he's the rolling stone
Another (14) and then you'd be happy	And (26) you wake up, it's a new morning
Just one more year and (15) you'd be happy	The sun is shining, it's a new morning
But you're crying, you're (16) now	And you're going, you're going home
Way down the street there's a (17) in his place
