

Fill in the gaps

I'm not the type to get my heart broken		This time was different		
I'm not the type to get upset and cry		Felt like, I was just a victim		
Cause I (1) (2)	my heart open	And it cut me like a knife		
Never hurts me to say goodbye		When you walked out of my life		
Relationships don't get deep to me		Now I'm, in this condition		
Never got the whole in love thing		And I've, got all the symptoms		
And someone can say they love me truly		Of a girl with a broken heart		
But at the time it didn't mean a thing		But no matter what you'll never see me cry		
My mind is gone, I'm spinning round		How did I get here with you, I'll never know		
And deep inside, my tears I'll drown		I never meant to let it get so, personal		
I'm losing grip, what's happening		After all I tried to do, stay (6) (7)_	loving	
I stray from love, this is how I feel		you		
This time was different		I'm broken-hearted, I can't let you know		
Felt like, I was just a victim		And I won't let it show		
And it cut me like a knife		You won't see me cry		
When you walked out of my life		This time was different		
Now I'm, in this condition		Felt like, I was (8) a victim		
And I've, got all the symptoms		And it cut me like a knife		
Of a girl with a broken heart		When you walked out of my life		
But no (3) what you'll never see me cry		Now I'm, in this condition		
Did it happen when we first kissed		And I've, got all the symptoms		
Cause it's hurting me to let it go		Of a girl with a broken heart		
Maybe cause we spent so much time		But no matter (9) you'll never see me cry		
And I know that it's no more		This time was different		
I shoulda never let you hold me baby		Felt like, I was just a victim		
Maybe why I'm sad to see us apart		And it cut me like a knife		
I didn't (4) to you on purpose		When you walked out of my life		
Gotta figure out how you stole my heart		Now I'm, in this condition		
My mind is gone, I'm (5)	round	And I've, got all the symptoms		
And deep inside, my tears I'll drown		Of a girl with a broken heart		
I'm losing grip, what's happening		But no matter what you'll never see me cry		
I stray from love, this is how I feel		All my life
