Video Games by Lana Del Rey

He holds me in his big arms

Fill in the gaps

Swinging in the backyard			I'm seeing stars
Pull up in your fast car			This is all I think of
Whistling my name			Watching all our friends fall
You open up a beer			In and out of Old Paul's
And say get over here			This is my idea of fun
And (1) your (2)	game		Playing your video games
In your favorite sun dress			It's you, it's you,
Watching me get undressed			It's all for you
Take your body downtown, honey			Everything I do
I say you the bestest			I tell you all the time
Lean in for a big kiss			Heaven is a place on earth with you
Put your favorite perfume on			Tell me all the things you want to do
Go play your video game			I heard that you like the bad girls
It's you, it's you,			Honey, is that true?
It's all for you			It's better than I ever even knew
Everything I do			They say that the world was built for two
I tell you all the time			Only worth living if somebody is loving you
Heaven is a (3) on earth with you			Baby now you do.
Tell me all the (4) you want to do			It's you, it's you,
I heard that you like the bad girls			It's all for you
Honey, is that true?			Everything I do
It's better (5) I ever even knew			I tell you all the time
They say that the (6)	was (7)	for	Heaven is a place on earth with you
two			Tell me all the things you want to do
Only worth living if (8) is loving you,			I heard that you like the bad girls
Baby now you do.			Honey, is that true?
Swinging in the old bars			It's better (9) I ever even knew
Singing with the old stars			They say that the world was built for two
Living for the fame			Only worth living if somebody is loving you
Kissing in the blue dark			Baby now you do.
