

Fill in the gaps

ir there's anything you need	I want you for the rest of my life
All you have to do is say	Together (6) and never to part
You know you satisfy everything in me	Together (7) we two
We shouldn't waste a single day	And don?t you know
So don't stop me falling	I (8) move heaven and earth
It's destiny calling	To be together forever with you
A power I just can't deny	So don't stop me falling
It's never changing	It's destiny calling
Can't you (1) me I'm saying	A power I just can't deny
I want you for the rest of my life	It's never changing
Together forever and never to part	Can't you hear me I'm saying
Together forever we two	I want you for the rest of my life
And don?t you know	Together forever and never to part
I would move heaven and earth	Together forever we two
To be (2) forever with you	And don?t you know
If they ever get you down	I would move heaven and earth
There's always something I can do	To be (9) forever with you
Because I wouldn't ever (3) see you frown	Together (10) and never to part
I'll always do what's (4) for you	Together forever we two
There ain't no mistaken	And don?t you know
It's true love we're making	I would move heaven and earth
Something to last for all time	To be together forever with you
It's (5) changing	
Can't you hear me I'm saying	

- 1. hear
- 2. together
