But when I think about it I don't see how you can	So little time
You're aching, you're breaking	Try to understand that
And I can see the (2) in your eyes	I'm (7) to make a move (8) to stay
Says everybody's changing	in the game
And I don't know why	I'm trying to stay awake and remember my name
So little time	But everybody's changing
Try to understand that	And I don't feel the same
I'm trying to make a (3) just to stay in the game	So (9) time
I'm trying to stay awake and remember my name	Try to understand that
But everybody's changing	I'm trying to make a move just to stay in the game
And I don't (4) the same	I'm trying to stay awake and (10) my
You're gone (5) here	name
Soon you will disappear	But everybody's changing
Fading (6) beautiful light	And I don't feel the same
Because everybody's changing	Oh, everybody's changing
	And I don't feel the same
