

Fill in the gaps

I haven't slept at all in days
It's been so long since we've talked
And I have been here many times
I just don't know what I'm doing wrong
What can I do to make you (1) me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
There's (2) so much I can take
And I just got to let go
And who (3) I might (4) better, yeah
If I don't try and I don't hope
What can I do to make you love me
What can I do to make you care
What can I say to (5) you feel this
What can I do to get you there
No more waiting, no more, aching

No (6) fighting, no more, trying
Maybe there's nothing more to say
And in a funny way I'm calm
Because the power is not mine
I'm just going to let it fly
What can I do to (7) you (8) me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
What can I do to make you love me
What can I do to make you care
What can I change to make you feel this
What can I do to get you there
And love melove me
Fade Out
