Imagine me and you, I do	And you and me
I think (1) you day and night	No matter how (6) (7) the dice

To think about the girl you love	The only one for me is you
And hold her tight	And you for me
So happy together	So happy together
If I (3) call you up	{Refrain}
Invest a dime	Me and you
And you say you (4) to me	And you and me
And ease my mind	No matter how they tossed the dice
Imagine how the world could be	It had to be
So very fine	The only one for me is you
So happy together	And you for me
{Refrain}	So (8) together
I can't see me lovin' nobody but you	So happy together
For all my life	How is the weather
When you're with me	So (9) together
Baby the skies (5) be blue	We're happy together
For all my life	So (10) together
