Fill in the gaps

I (1) the door	I'm inconsolable
Like so many times, so many (2) before	Oh oh no no no
Filmed like a (3) on the (4)	I don't wanna be like this
(5) floor	I (17) (18) let you know
When I let you walk away tonight	'Cause (19) that I hold in
Without a word	Is everything I can't let go
I try to sleep, yeah	Oh oh oh can't let go
But the clock is (6) on thoughts of you and me	Yeah yeah yeah
A thousand more regrets unraveling, ohh	CHORUS
If you were here right now, I swear,	'Cause baby I don't wanna waste another day
I'd tell you this	Keeping it (20) it's killing me (killing me
CHORUS	'cause)
Baby I don't want to waste another day	'Cause all I ever want (all I ever wanted)
Keeping it (7) it's killing me	Comes right down to you (to you), to you (to you)
Cause all I ever want, it comes right (8) to you (to	I wish (21) I (22) find the words to
you)	say
I'm wishing I could find the words to say	Baby I would tell you (23) time you leave
Baby I would (9) you every time you leave	I'm inconsolable

I (10) the walls	Don't you (24) it baby
I can see the edge but I can't (11) the fall, no.	I don't (25) waste another day
I've memorised the number	I wish (26) I could find the words to say
So why can't i make the call	Baby I would tell you every time you leave
Maybe 'cause I know you'll always be (12) me	I'm inconsolable
In the possibilities	Yeah yeah

Keeping it (13) it's killing me	Whoa oh oh yeah yeah oh oh
