

Woaaaaaaaaaaaaaaaaaoooooaaahhooo

Fill in the gaps

Some (1) laugh,	Another year over,
And some people cry,	And we're still together,
And some people live,	It's not always easy,
And (2) people die,	We're out here forever,
And some people run,	[Chorus]
Right (3) the fire,	But we are the lovers,
And (4) people hide,	I know you believe me,
Away their (5) desire	When you look into my eyes,
Chorus]	Cause the heart (7) lies Hey!
But we are the lovers,	But we are the lovers,
f you don't believe me,	I know you'll believe me,
Then just look into my eyes,	When you (8) into my eyes,
Cause the heart never lies	Cause the heart never lies
Some people fight,	Woaaaaaaaaaaaaaaaaahhhhhhhhhoo
And some people fall,	Woaaaaaaaaaaaaaaaaaaoooooaaahhooo
Others pretend,	Another year over,
They don't care at all,	And we're still together,
f you wanna fight,	It's not always easy,
'll stand right beside you,	Woah, we're out here forever,
The day that you fall,	Yeah, we are the lovers,
'll be right behind you,	I know you believe me,
To pick up the pieces,	When you look into my eyes,
f you don't (6) me,	Because the heart (9) lies
Just look into my eyes,	Because the heart never lies
Cause the heart never lies	Because the heart never lies
