

Back to the moment the very start,

Fill in the gaps

I never knew you before,	from the very (5) day you had my heart
I've been walking around with my (1) on the floo	r but I got to (6) right down
And know you're everywhere to me	Slow it down.
You're every face that I see, things ain't (2)	[Down down down]
quick enough for me	[down down down]
I (3) I've been	I guess I've been
Running 'round town	Running round town
and leaving my tracks,	and leaving my tracks,
Burning out rubber	Burning out rubber
driving too fast	driving too fast
But I, I've gotta slow it right down	But I got to slow right down
Back to the moment the very start,	Back to the moment the very start,
from the very first day you had my heart	from the (7) first day you had my heart
but I got to slow right down	but I got to slow right down
Slow it down.	Slow it down.
[Down down (4)]	I (8) I've been
[down down down]	Running round town
Wishing, wanting for something more	and leaving my tracks,
Always better than I had before	Burning out rubber
Who knew these dreams would come true	driving too fast
And I run the red, won't stop at night	But I got to (9) right down
I don't care for traffic lights	Back to the moment the very start,
Things ain't moving quick enough for me	from the very first day you had my heart
I guess I've been	but I, I got to slow right down
Running round town	Slow it down.
and leaving my tracks,	(Down down)
Burning out rubber	(down down down)
driving too fast	
But I got to slow right down
