

## Fill in the gaps

I never knew you before,	from the very first day you had my heart
l've been (1) (2) with my	but I got to slow right down
eyes on the floor	Slow it down.
And (3) you're everywhere to me	[ Down (21) down ]
You're every face (4) I see, things	[ down down (22) down ]
(5) (6) quick	I guess I've been
(7) for me	Running round town
I guess I've been	and (23) my tracks,
Running 'round town	Burning out rubber
and leaving my tracks,	driving too fast
Burning out rubber	But I got to slow right down
driving too fast	Back to the (24) the very start,
But I, I've gotta slow it right down	from the very (25) day you had my heart
Back to the moment the (8) start,	but I got to (26) right down
from the very first day you had my heart	Slow it down.
but I got to (9) down	I guess I've been
Slow it down.	Running round town
[ Down (11) (12) ]	and leaving my tracks,
[ (13) down down down]	Burning out rubber
Wishing, (14) for something more	driving too fast
Always better than I had before	But I got to slow right down
Who knew (15) dreams would come true	Back to the moment the very start,
And I run the red, won't stop at night	from the very first day you had my heart
I don't (16) for traffic lights	but I, I got to slow right down
Things ain't (17) quick enough for me	Slow it down.
I guess I've been	( Down down down )
Running (18) town	( down down down )
and leaving my tracks,	
Burning out rubber	
driving too fast	
But I got to (19) right down	
Back to the moment the (20) start,
