Fill in the gaps

Science And Faith by The Script

Tried to break her to a science
in an act of good defiance
i broke her heart.
There's a pull up on her theories
there's a watch her growing weary
i broke her heart.
having heavy conversations
about the frivilous constellations of our souls. oh
we're just trying to find some meaning
in the things that we believe in
but we got some (1)_____ to go.
of all of the (2)_____ that she's ever said
she goes and says something that just (3)_____ me dead.
You won't find faith or hope down a telescope
You won't (4)_____ heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh (5)_____ is real.
ooohhhh
its the way we feel, yeh this is real.
i tried pushing evolution
as the obvious conclusion of the start.
but it was all my own amusement
saying love was an illusion of a hopeless heart.
of all of the things that she's ever said
she goes and says something that knocks me dead.
You won't find (6)_____ or (7)_____ down a telescope
You won't find heart and (8)_____ in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real.
ooohhhh
its the way we feel, yeh this is real.
of all of the things that she's ever said
she goes and (9)_____ something (10)_____ just knocks me dead
You won't find faith or hope down a telescope
You won't find heart and soul in the stars
you can break everything, got the chemicals?
but you can't explain a love like ours.
ooohhhh
its the way we feel, yeh this is real
ooohhhh
its the way we feel, yeh this is real

Fill in the gaps

Answer
