## Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together	But I don't wanna live that way, reading into every word you
Like when you (1) you felt so happy you	say
(2) die	You (7) that you could let it go
Told myself that you were right for me	And I wouldn't catch you hung up on somebody that you used
But felt so lonely in your company	to know
But that was love and it's an ache I still remember	But you didn't have to cut me off
You can get (3) to a certain kind of	Make out like it never (8) and that we
sadness	were nothing
Like resignation to the end, always the end	And I don't even need your love
So, when we found that we could not make sense	But you treat me like a stranger and that feels so rough
Well, you said that we (4) still be friends	No, you didn't have to stoop so low
But I'll admit that I was glad that it was over	Have your friends collect your records and then change your
But you didn't have to cut me off	number
Make out like it never happened and that we were nothing	I guess that I don't need, that though
And I don't even need your love	Now you're just somebody that I used to know
But you treat me like a stranger and that feels so rough	Somebody, I used to know
No, you didn't have to stoop so low	Somebody, now you're just somebody that I used to know
Have your friends collect your records and then change your	Somebody, I used to know
number	Somebody, now you're just somebody that I used to know
I guess that I don't need, (5) though	I used to know
Now you're just somebody that I used to know	That I (9) to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	Somebody
Now and then I think of all the times you screwed me over	
But had me believing it was always something (6)
