

Fill in the gaps

Somebody That I Used To Know (feat. Kimbra) by Gotye

| Now and then I think of when we were together | But I don't wanna (18) that way, reading into every |
|--|--|
| Like when you said you felt so (1) you could die | word you say |
| Told myself that you (2) right for me | You said that you (19) let it go |
| But felt so lonely in (3) company | And I wouldn't catch you hung up on somebody that you used |
| But that was love and it's an ache I still remember | to know |
| You can get addicted to a (4) (5) | But you didn't have to cut me off |
| of sadness | Make out like it never happened and that we were nothing |
| Like resignation to the end, always the end | And I don't even need your love |
| So, when we found that we could not (6) sense | But you treat me like a (20) and |
| Well, you said that we would still be friends | (21) (22) so rough |
| But I'll admit that I was glad that it was over | No, you didn't have to stoop so low |
| But you didn't (7) to cut me off | Have your friends (23) your records and |
| Make out like it never happened and that we were nothing | then change your number |
| And I don't even need (8) love | I guess that I don't need, that though |
| But you treat me like a stranger and that (9) so | Now you're just somebody (24) I used to know |
| rough | Somebody, I used to know |
| No, you didn't have to stoop so low | Somebody, now you're just somebody that I used to know |
| Have your friends (10) (11) | Somebody, I used to know |
| records and (12) change your number | Somebody, now you're (25) somebody that I used |
| I guess (13) I don't need, that though | to know |
| Now you're just somebody that I (14) to know | I (26) to know |
| Now you're just somebody that I used to know | That I used to know |
| Now you're just somebody (15) I used to know | I (27) to know |
| Now and (16) I think of all the times you screwed | Somebody |
| me over | |
| But had me believing it was always something (17) | |
| I'd done | |
