Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together	But I don't wanna live that way, reading into every word you
Like when you (1) you felt so happy you could die	say
Told myself that you were right for me	You said that you could let it go
But (2) so lonely in your company	And I wouldn't catch you hung up on somebody that you used
But that was love and it's an ache I still remember	to know
You can get addicted to a certain kind of sadness	But you didn't have to cut me off
Like resignation to the end, always the end	Make out like it never happened and that we were nothing
So, when we found that we could not make sense	And I don't even need your love
Well, you said that we would still be friends	But you treat me like a stranger and that feels so rough
But I'll admit (3) I was glad that it was over	No, you didn't have to stoop so low
But you didn't have to cut me off	Have your friends (7) your records and
Make out like it never happened and that we were nothing	then change your number
And I don't even need your love	I guess (8) I don't need, that though
But you treat me like a stranger and that feels so rough	Now you're just somebody that I used to know
No, you didn't have to stoop so low	Somebody, I used to know
Have your friends collect your records and then change	Somebody, now you're just somebody (9) I used to
(4) number	know
I guess that I don't need, that though	Somebody, I used to know
Now you're just (5) that I (6)	Somebody, now you're (10) somebody that I used
to know	to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	That I used to know
Now and then I think of all the times you screwed me over	I used to know
But had me believing it was always something that I'd done	Somebody
