

## Fill in the gaps

My tea's gone cold, I'm (1) why		I want to (6) you
I got out of bed at all		for giving me the best day of my life
The morning rain clouds up my window		Oh just to be with you
and I can't see at all		is having the (7) day of my life
And even if I could it'd all be grey,		Push the door, I'm home at last
but your picture on my wall		and I'm soaking through and through
It (2)	me that it's not so bad,	Then you hand me a towel
it's not so bad		and all I see is you
I drank too much last night, got bills to pay,		And even if my house falls down now,
my head (3) feels in pain		I wouldn't have a clue
I (4)	the bus and there'll be hell today,	because' you're (8) me and
I'm late for work again		I (9) to thank you
And even if I'm there, they'll all imply		for (10) me the best day of my life
that I might not (5) the day		Oh just to be with you
And then you call me and it's not so bad,		is having the best day of my life (bis)
it's not so bad a	nd	

- 1. wondering
