

Fill in the gaps

With our (1) (2) open we	They were only words
With our eyes wide open we	They didn't add up
So (3) is the end of the story	To a (5) in the way we were living
Everything we had, everything we did	And the saddest thing
Is buried in dust	Is all of it could have been avoided
And this dust is all that's left of us	But it was (6) to stop consuming's to stop being
And only a few ever worried	human
While the signs were clear	And why'd I make a change if you won't?
They had no idea	We're all in the same boat
You just get used to living in fear	Staying afloat for the moment
Or give up	We walk the plank with our eyes wide open
When you can't even picture your future	(walk the (7) with our eyes wide open we)
We walk the plank with our eyes wide open	And we walk the plank with our (8) wide open we
We walk the plank with our eyes wide open we	(walk the plank with our (9) (10) open
(walk the plank with our eyes wide open we)	we)
Yeah we walk the plank with our eyes wide (4) we	With our eyes wide open we
(walk the plank with our eyes wide open we)	We walk the plank, we walk the plank
Some people offered up answers (questions)	So that is the end of the story
We made out like we heard
