

Fill in the gaps

	Use them and let's start trying
I must've dreamed a thousand dreams	To (16) it a place worth living in.
Been (1) by a (2)	I remember long ago -
screams	When the sun was shining
I can (3) the marching feet	The stars were bright
They're moving into the street.	All through the night
Now did you read the (4) today	And the sound of your laughter
They say the danger's gone away	As I (17) you tight
But I can see the fire's still alight	So long ago -
Burning (5) the night.	I won't be coming (18) tonight
Too many men	My generation will put it right
Too many people	We're not (19) making promises
Making too many problems	That we know, we'll never keep.
And not (6) love to go round	Too (20) men
Can't you see	Too many people
This is a (7) of confusion.	Making too many problems
This is the (8) we live in	And not much love to go round
And (9) are the (10) we're given	Can't you see
Use (11) and let's start trying	This is a (21) of confusion.
To make it a place worth (12) in.	This is the world we live in
Superman where are you now	And these are the hands we're given
Everything's gone wrong somehow	Use (22) and let's (23) trying
The men of steel, men of power	To (24) it a place worth fighting for.
Are losing (13) by the hour.	This is the world we live in
This is the time	And these are the (25) we're given
This is the place	Stand up and let's (26) showing
So we look for the future	Just where our lives are going to
But there's not much love to go round	
Tell me why, (14) is a (15) of confusion.	
This is the world we live in	
And those are the hands we're given
