Follow You Follow Me by Genesis

Fill in the gaps

Stay with me,
My love I hope you'll always be
Right here by my side if ever I (1) you
Oh my love
In (2) arms,
I feel so safe and so secure
Everyday is such a perfect day to spend
Alone with you
I will follow you will you follow me
All the days and nights that we know will be
I will stay with you will you stay with me
Just one (3) tear in each passing year
With the dark,
I see so very clearly now
All my fears are drifting by me so slowly now
Fading away
I can say
The night is long but you are there
Close at hand I'm better for the smile you give
And (4) I live
I will follow you will you (5) me
All the days and nights that we know will be
I will stay with you will you stay with me
Just one single tear in each passing year (6) (7) be
I will follow you (8) you follow me
All the days and nights that we (9) will be
I will stay with you will you (10) with me
Just one single tear in each passing year
