Fill in the gaps

Stay with me,
My (1) I hope you'll always be
Right here by my side if ever I needed you
Oh my love
In (2) arms,
I feel so safe and so secure
Everyday is such a perfect day to spend
Alone with you
I will follow you will you follow me
All the (3) and nights that we know will be
I will stay (4) you will you (5) with me
Just one single tear in each passing year
With the dark,
I see so (6) clearly now
All my fears are drifting by me so slowly now
Fading away
I can say
The night is long but you are there
Close at hand I'm better for the smile you give
And while I live
I will follow you will you follow me
All the days and nights that we know will be
I will stay (7) you will you stay with me
Just one single tear in each passing year there will be
I will follow you will you follow me
All the (8) and nights that we know will be
I will stay with you will you (9) with me
Just one single tear in each passing year
