Still feels like our first night together	So if you're feelin' (5) don't
Feels like the first kiss and it's gettin' better baby	You're the only one I ever want
No one can better this	I only wanna make it good
Still holdin' on, you're still the one	So if I love you a little more than I should
First time our eyes met - the same feeling I get	Please forgive me - I know not what I do
Only feels much stronger - I wanna love you longer	Please forgive me - I can't stop loving you
You still turn the (1) on	Don't deny me - this pain I'm going through
So if you're feelin' lonely don't	Please forgive me - if I need ya like I do
You're the only one I (2) want	Oh believe me - every word I say is true
I only wanna make it good	Please forgive me - I can't stop loving you
