All Star by Smash Mouth

Fill in the gaps

Somebody once told me the world is gonna roll me	Only shooting stars (6) the mold
I ain't the (1) tool in the shed	-INSTRUMENTAL-
She was looking kind of dumb (2) her finger and	Hey now you're an All Star get your game on, go play
her thumb	Hey now you're a Rock Star get the show on get paid
In the shape of an 'L' on her forehead	And all that glitters is gold
Well the years start coming and they don't stop coming	Only shooting stars
Fed to the rules and I hit the ground running	Somebody once asked could I spare some change for gas
Didn't make sense not to live for fun	I need to get myself away from this place
Your brain gets smart but your head gets dumb	I said yep what a concept
So much to do so much to see	I could use a little fuel myself
So what's wrong with taking the back streets	And we could all use a little change
You'll never know if you don't go	Well the (7) start coming and they don't stop
You'll never shine if you don't glow	coming
Hey now you're an All Star get your game on, go play	Fed to the rules and I hit the ground running
Hey now you're a (3) Star get the show on get paid	Didn't make sense not to (8) for fun
And all that (4) is gold	Your brain gets smart but your head gets dumb
Only shooting stars (5) the mold	So much to do so much to see
It's a cool place and they say it gets colder	So what's wrong with taking the back streets
You're bundled up now but wait 'til you get older	You'll never know if you don't go
But the meteor men beg to differ	You'll never shine if you don't glow
Judging by the hole in the satellite picture	Hey now you're an All Star get (9) game on, go
The ice we skate is getting pretty thin	play
The waters getting warm so you might as well swim	Hey now you're a Rock Star get the show on get paid
My world's on fire how about yours	And all that glitters is gold
That's the way I like it and I never get bored	Only shooting stars break the mold
Hey now you're an All Star get your game on, go play	And all that glitters is gold
Hey now you're a Rock Star get the show on get paid	Only (10) stars break the mold
And all that glitters is gold
