

And all (15)\_\_\_\_\_ glitters is gold

## Fill in the gaps

Somebody once told me the world is gonna (1) me	Only shooting stars break the mold
ain't the sharpest tool in the shed	-INSTRUMENTAL-
She was looking kind of dumb (2) her finger and	Hey now you're an All Star get your game on, go play
ner thumb	Hey now you're a (16) Star get the show on get
n the shape of an 'L' on her forehead	paid
Well the years (3) coming and (4)	And all that (17) is gold
don't stop coming	Only (18) stars
Fed to the rules and I hit the ground running	Somebody once asked could I spare some change for gas
Didn't make sense not to (5) for fun	I need to get myself away from this place
Your brain gets smart but your (6) gets dumb	I said yep what a concept
So much to do so much to see	I (19) use a little fuel myself
So what's (7) with taking the back streets	And we could all use a little change
You'll never know if you don't go	Well the years start (20) and (21)
You'll never (8) if you don't glow	don't stop coming
Hey now you're an All Star get your game on, go play	Fed to the rules and I hit the ground running
Hey now you're a Rock Star get the show on get paid	Didn't make sense not to live for fun
And all (9) glitters is gold	Your brain gets smart but your head gets dumb
Only (10) break the	So (22) to do so much to see
mold	So what's wrong with taking the back streets
t's a cool (12) and (13) say it gets	You'll never know if you don't go
colder	You'll (23) shine if you don't glow
You're bundled up now but wait 'til you get older	Hey now you're an All Star get (24) game on, go
But the meteor men beg to differ	play
Judging by the hole in the satellite picture	Hey now you're a Rock Star get the show on get paid
The ice we skate is getting pretty thin	And all that glitters is gold
The waters getting warm so you might as well swim	Only shooting (25) break the mold
My world's on (14) how about yours	And all that glitters is gold
That's the way I like it and I never get bored	Only shooting (26) break the mold
Hey now you're an All Star get your game on, go play	
Hey now you're a Rock Star get the show on get paid
