

Fill in the gaps

Somebody once told me the world is gonna roll me		Only shooting stars break the mold	
I ain't the (1)	tool in the shed	-INSTRUMENTAL-	
She was looking kind of dumb with her finger and her thumb		Hey now you're an All Star get your game on, go play	
In the shape of an 'L' on her forehead		Hey now you're a Rock Star get the show on get paid	
Well the years start coming and they don't stop coming		And all that glitters is gold	
Fed to the rules and I hit the ground running		Only shooting stars	
Didn't make sense not to live for fun		Somebody once asked could I spare some (5)	
Your brain gets smart but your head gets dumb		for gas	
So much to do so much to see		I need to get myself away from this place	
So what's wrong with taking the back streets		I said yep what a concept	
You'll never (2)	if you don't go	I could use a (6)	fuel myself
You'll never shine if you don't glow		And we could all use a (7)	change
Hey now you're an All Star get your game on, go play		Well the years start coming and they don't stop coming	
Hey now you're a Rock Star get the show on get paid		Fed to the rules and I hit the ground running	
And all that glitters is gold		Didn't make sense not to live for fun	
Only shooting stars (3) the mold		Your brain (8) smart but your head gets dumb	
It's a cool place and they say it (4) colder		So much to do so much to see	
You're bundled up now but wait 'til you get older		So what's wrong with taking the back streets	
But the meteor men beg to differ		You'll never know if you don't go	
Judging by the hole in the satellite picture		You'll never shine if you don't glow	
The ice we skate is getting pretty thin		Hey now you're an All Star get your game on, go play	
The waters getting warm so you might as well swim		Hey now you're a Rock Star get the show on get paid	
My world's on fire how about yours		And all that glitters is gold	
That's the way I like it and I never get bored		Only shooting stars break the mold	
Hey now you're an All Star get your game on, go play		And all that glitters is gold	
Hey now you're a Rock Star get the show on get paid		Only shooting stars (9)	the mold
And all that glitters is gold			

1. sharpest
