

Fill in the gaps

In only a moment truth was seen	Would you take the place of (5) man
Revealed this mystery	Would you take the nails from his hands
The crown that showed no dignity he wore	And we (6) don't know
And the (1) was placed for all the world to	The blood and water flowed
(2) disgrace	And in it all He showed
But only beauty flowed from this place	Just how much He cared
Would you take the place of this man	And the veil was torn
Would you take the nails from his hands	So we could have this open door
Would you take the place of this man	And all these things (7) finally been complete
Would you take the nails from his hands	Would you take the place of this man
He held the weight of impurity	Would you take the nails from his hands
The Father would not see	Would you take the (8) of this man
The reasons had finally come to be to show	Would you take the nails (9) his hands,
The depth of His grace flowed with every sin erased	from his hands, (10) his hands, from his hands
He knew (3) this was why he came	
Would you take the place of this man	
Would you take the nails (4) his hands
