

Fill in the gaps

I can see how you are beautiful, can you feel my eyes on you,	Talk to me, show some pity
I'm shy and (1) my head away	You (15) me in many, many ways
Working late in diner Citylight, I see that you get home alright	But I'm shy can't you see
Make sure that you can't see me, (2) you will	I see, can't have you, can't leave you, (16)
see me	'cause I must (17) see you
Sometimes I'm wondering why you (3) me and you	And I don't (18) how you can
blink your eye	(19) me in chains
You can't be acting like my (4) (can you)	And every waking hour, I (20) you taking powe
I see you in Citylight diner serving all those meals and then	From me and I can't live
I see reflections of me in (5) eye, oh please	Repeating the scenery over again
Talk to me, (6) pity	Sometimes I'm wondering why you look me and you blink you
You (8) me in many, many ways	eye
But I'm shy can't you see	You can't be acting like my Dana?
Obsessed by you, your looks, well, anyway "I (9)	I see your beautiful (21) and I (22)
any day die for you",	like to run (23) from
I write on paper erased away	Reflections of me in your eyes, oh please
Still I sit in diner Citylight, (10) coffee or	Talk to me, (24) pity
reading lies	You touch me in many, many ways
Turn my head and I can see you, could that	But I'm shy can't you see,
(11) be you	Oh baby, Talk to me, show (26) pity
Sometimes I'm wondering why you look me and you blink	You touch me in many, many ways
(12) eye	But I'm shy can't you, I'm shy can't you, I'm shy can't you see
You can't be acting like my Dana?	
I see (13) smile and I	
would like to run away from	
Reflections of me in your eyes, oh please
