

## Fill in the gaps

Your butt is mine gonna tell you right	You know I'm bad (bad-bad), I'm bad, you know it (really,
Just show your face throughout daylight	really bad)
I'm telling you on how I feel	You know I'm bad (bad-bad), I'm bad, you know it (really,
Gonna hurt your mind gonna shoot to kill	really bad) you know
Come on, come on, lay it on me	And the whole world has to answer right now
All right	Just to (9) you once again
I'm giving you on the (1) of three	Who's bad
To show your stuff or let it be	We could change the world tomorrow
I'm telling you just watch your mouth	This could be a better place
I know your game what you're about	If you don't like what I'm sayin'
Well they say the sky's the limit	Then won't you slap my face
And to me that's (2) true	Because I'm bad (bad-bad), I'm bad, come on (really, really
But my friend you have seen nothing	bad)
Just wait 'till I get through	You know I'm bad (bad-bad), I'm bad, you know it (really,
Because I'm bad (bad-bad), I'm bad, come on (really, really	really bad)
bad)	You know I'm bad (bad-bad), I'm bad, you know it (really,
You (3) I'm bad (bad-bad), I'm bad, you know it	really bad) you know
(really, really bad)	And the whole world has to answer right now
You know I'm bad (bad-bad), I'm bad, come on (really, really	Just to tell you once again
bad) you know	You know I'm bad (bad-bad), I'm bad, come on (really, really
And the whole world has to (4) right now	bad)
Just to tell you once again	You know I'm bad (bad-bad), I'm bad, you know it (really,
Who's bad	really bad) you know
The word is out you're doing wrong	You know, you know, come on
Gonna lock you up before too long	And the whole world has to answer (10) now
Your lying eyes don't tell you right	Just to tell you once again
So listen up don't make a fight	You know I'm smooth, I'm bad (bad-bad), you know it (really,
Your talk is cheap you're not the man	really bad)
You're throwing stones to hide your hands	You know I'm bad (bad-bad), I'm bad (really, really bad)
Well (5) say the sky's the limit	You know, you know (bad-bad) you know it (really, really bad)
And to me that's (6) true	come on
But my friend you (7) (8) nothing	And the whole world has to answer right now (whoo)
Just wait 'till I get through	Just to tell you once again
Because I'm bad (bad-bad), I'm bad, come on (really, really	You know I'm bad, I'm bad (bad-bad), you know it (really,
