

Out in the fields

Fill in the gaps

It doesn't matter	No flag has ever stopped
If you're wrong or if you're right	The (13) from a gun
It makes no difference	Death is just a heartbeat away
If you're black or if you're white	Out in the fields
All men are equal	A heartbeat away
Till the (1) is won	Out in the fields
No colour or religion	Death is (14) a (15) away
Ever (2) the (3) from a gun	Out in the fields
Out in the fields	A heartbeat away
The fighting has begun	Out in the fields
Out on the streets	In the fields
They're falling one by one	The fighting has begun
Out from the skies	Out on the streets
A thousand more will die (4) day	They're falling one by one
Death is just a heartbeat away	Out from the skies
It doesn't matter	A thousand more will die (16) day
If you're left or to the right	[Lyrics (17) www.EasyLyrics.org]
Don't try to (5) behind the cause	They're falling one by one
They want to fight	Out in the fields
There'll be no prisoners taken	No flag has ever stopped
When the day is done	The bullet (18) a gun
No flag, no uniform	Death is (19) a heartbeat away
Ever stopped the bullet from a gun	Out in the fields
Out in the fields	A (20) away
The fighting has begun	Out in the fields
Out on the streets	Death is just a (21) away
They're falling one by one	Out in the fields
Out from the skies	A (22) away
A (6) more will die each day	Out in the fields
Death is (7) a (8) away	In the fields
There's no communication	The fighting has begun
No one to take the blame	Out on the streets
The (9) of every nation	They're (23) one by one
They're (10) on (11)	Out from the skies
(12) again	A thousand (24) will die each day
Out in the fields	out!
Out in the fields	
They're falling one by one
