Fill in the gaps

Come one and all and see the broken man,
Talking to himself
He sits and (1)_____ for something better,
He'll never find it here
The people touch his hair
And pinch his cheek, he can't even feel it
There it goes again, he's listening to someone
He hears the bitter laughter
And all he wants to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the (2)_____ that (3)_____
the exhale so much better
He (4)_____ his hands on (5)_____ in
reach,
He never feels clean
He shakes at night (6)_____ his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

That broken man is me
There it goes again, I can (7)_____ it louder
It doesn't feel good anymore
All I want to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale that makes the (8)_____
so much better
Now I know I disappear
I can't find my way from out of here
Everything is fading on me
