

Fill in the gaps

If Today Was Your Last Day by Nickelback

My (1) friend gave me the best advice	Swear up and down to God above
He (2) each day's a (3) and not a	That you (22) fall in love
(4) right	If today was your last day
Leave no stone unturned, leave (5)	If today was your last day
(6) behind	Would you (23) your mark by mending a broke
And try to take the path less (7) by	heart?
That first step you take is the longest stride	You know it's never too late to shoot for the stars
If today was your last day	Regardless of who you are
And tomorrow was too late	So do whatever it takes
Could you say goodbye to yesterday?	'Cause you can't rewind a moment in this life
Would you live (8) moment like (9) last?	Let nothin' stand in your way
Leave old pictures in the past	Cause the hands of time are never on your side
Donate every (10) you have?	If today was your last day
If today was your last day	And (24) was too late
Against the (11) should be a way of life	Could you say goodbye to yesterday?
What's worth the prize is always worth the fight	Would you live each moment (25) your last?
Every second (12) 'cause there's no second	Leave old pictures in the past
try	Donate every dime you have?
So live like you'll never live it twice	Would you call old (26) you never see?
Don't (13) the (14) ride in your own life	Reminisce old memories
If (15) was (16) last day	Would you forgive your enemies?
And tomorrow was too late	Would you find that one you're dreamin' of?
Could you say goodbye to yesterday?	Swear up and down to God above
Would you (17) (18) moment	That you (27) fall in love
(19) your last?	If today was your last day
Leave old pictures in the past	
Donate every dime you have?	
Would you call old friends you never see?	
Reminisce old memories	
Would you (20) your enemies?	
Would you find (21) one you're dreamin' of?
