

Fill in the gaps

Remember when we used to look now sun sets far away?	railulan, find the words and talk to me, on, railulan,
And how you said: "This is (1) over"	This could be heaven
I believed your every word and I guess you did too	I see you walking hand in hand with long-haired
But now you're (2): "Hey, let's think this over"	(7) of the band
You (3) my hand and pull me next to you, so close	In love with her or so it seems, he's dancing with my beauty
to you	queen
I have a feeling you don't (4) the words	Don't even dare to say you hi, still swallowing the goodbye
I found one for you, kiss it's seem, say bye, and walk away	But I know the feelings still alive, (8) alive
Don't look back 'cause I am crying	I lost my patience once, so do you punish me now
I remember little things you (5) ever do	I'll always love you, no matter what you do
Tell me why	I'll win you back for me if you give me a chance
I don't know why it's over	But (9) is one thing you must understand
I remember shooting stars, the walk we took that night	Tallulah, It's easier to live alone than fear the time it's over
I hope your wish came true, mine betrayed me	Tallulah, find the words and talk to me ,oh, Tallulah,
You let my hand go, and you fake a smile for me	This could be
I have a feeling you don't know what to do	Tallulah, It's easier to live alone (10) fear the time
I look deep in your eyes and hesitate a while	it's over
Why are you crying?	Tallulah, find the words and talk to me ,oh, Tallulah,
Tallulah, It's easier to live (6) than fear the time	This could be
it's over, oo-ooh	

- 1. never
