

## Fill in the gaps

Play the fence, one way you're gonna fall		
Sometimes I don't know who you are at all		
Your opinion is something that you've got inside		
But I see the loyalty has up and died		
Your skeletons		
My skeletons		
Life is only getting shorter		
You can be my enemy and I don't care		
Keep throwin' (1) at yourself		
Stories run in circles that have no end		
I hit on luck, then you bum me out again		
There's a way that you keep the truth in check		
Scratch the surface and treat it like a broken neck		
Keep the peace when face to face with the scene		
Got a hunch that ain't (2) you really mean		
Weather's fair, does that (3) where you		
stand?		
My back is turned and the knife is in your hand		

Your genocide		
My genocide		
Life is only getting shorter		
You can be my enemy and I don't care		
Keep throwin' stones at yourself		
You can be my (4)	and I don't care	
You try too hard and I can tell		
Your genocide		
My genocide		
Life is (5) getting sho	rter	
You can be my (6)	and I don't care	
Keep throwin' stones at yourself		
You can be my (7)	and I don't care	
You try too (8) and I	can tell	
You can be my enemy		
And I don't care
