

Fill in the gaps

Underneath Your Clothes by Shakira

	And all the things I deserve
You're a song, written by the hands of God	For (7) such a good girl
Don't get me wrong, 'cause this might (1) to you	For being such a hey, hey, hey, hey
a bit odd	I love you more than all that's on the planet
But you own the place where all my thoughts go hiding	Movin' talkin' walkin' breathing
Right under your clothes is where I'll find them	You know it's true, Oh babe it's so funny
Underneath your clothes there's an (2)	You almost don't (8) it
story	As every voice is hanging from the silence, lamps are hanging
There's the man I chose, there's my territory	from the ceiling
And all the (3) I deserve	Like a lady tied to her manners, I'm (9) up to this
For (4) such a good girl, honey	feel
Cause of you, I (5) the smart ways to lie	Underneath your clothes there's an endless story
Because of you, I'm running out of reasons to cry	There's the man I chose, there's my territory
When the friends are gone, when the party's over	And all the (10) I deserve
We will still belong to each other	For being such a good girl, honey
Underneath your clothes there's an endless story	Underneath your clothes, ah wha ho oh woah
There's the man I chose, there's my territory	There's the man I chose, there's my territory
And all the things I deserve	And all the things I deserve
For (6) such a good girl, honey	For being such a good girl
Underneath your clothes there's an endless story	For being such a good girl
There's the man I chose there's my territory
