

## Fill in the gaps

New (1) joins (2) earth	Never see
And (3) he's subdued	Won't see (14) (15) (16)
Through (4) pained disgrace	been
The young boy learns their rules	What I've felt
With (5) the child draws in	What I've known
This (6) boy done wrong	Never shined (17) in what I've shown
Deprived of all his thoughts	Never free
The young man (7) on and on he's	Never me
known	So I dub (18) unforgiven
A vow unto his own	[instrumental solo]
That never from this day	What I've felt
His will they'll (8) away	What I've known
What I've felt	Never (19) in
What I've known	(21) I've shown
Never shined through in (9) I've shown	Never be
Never be	Never see
Never see	Won't see (22) might have been
Won't see what might (10) been	What I've felt
What I've felt	What I've known
What I've known	Never shined through in what I've shown
Never shined through in (11) I've shown	Never free
Never free	Never me
Never me	So I dub thee unforgiven
So I dub thee unforgiven	Never free
they (12) their lives,	Never me
to running all of his	So I dub thee unforgiven
He tries to please them all	You labeled me
This bitter man he is	I'll label you
Throughout his life the same	So I dub thee unforgiven
He's battled constantly	Never free
This fight he cannot win	Never me
A tired man they see no longer cares	So I dub thee unforgiven
The old man then prepares	You (23) me
To die regretfully	l'll (24) you
That old man (13) is me	So I dub thee unforgiven
What I've felt	Never free
What I've known	Never me
Never shined through in what I've shown	So I dub (25) unforgiven
Never be
