The nights are growing longer now		Someone else inside me
And I can't think of anything but you		I'm stepping out the edge, I'm on the borderline
Do you feel the same way too		Ain't gonna make the same mistakes this time
Outside the windows, leafs are brown		Cause everything I want
Like words of (1)	_ falling down, it's true	Everything I do
The one's I've never heard from you		Is (8) to find myself again
Remember, love was (2) an easy game to play		'cause life can be so cruel
Those days are flown a (3)	miles away	For anything I've done
Everything I want		And things that I did wrong
Everything I do		I'm asking to forgive me 'cause it's obvious
Is trying to find myself again		I'm guilty of loving you
'cause life can be so cruel		Guilty of loving you
For (4) I've done		Now everything I want
And things that I did wrong		Everything I do
I'm asking to forgive me 'cause it's obvious		Is trying to find myself again
I'm guilty of loving you		'cause life can be so cruel
I'll (5) the chance, this is my life		For anything I've done
I'm gonna make the best of what I am		And things that I did wrong
I really need to understand		I'm (9) to forgive me 'cause it's obvious
And should I fail or recognize		It's clear that I was guilty of (10) you
The mirror's not (6)	(7) I
