

Kim's the first girl I kissed

## Fill in the gaps

_ook at this photograph	I was so nervous that I nearly missed
Everytime I do it makes me laugh	She's had a couple of kids since then
How did our eyes get so red	I haven't seen her since god knows when
And (1) the hell is on Joey's head	Oh, oh, oh
And this is where I grew up	Oh, god, I
think the present (2) fixed it up	Every memory of looking out the back door
never knew we'd ever (3) without	I had the photo album spread out on my bedroom floor
The second floor is hard for sneaking out	It's hard to say it, time to say it
And this is where I went to school	Goodbye, goodbye.
Most of the time had better things to do	Every memory of walking out the front door
Criminal record says I broke in twice	I found the (8) of the friend that I was looking for
must have done it half a dozen times	It's hard to say it, time to say it
wonder if it's too late	Goodbye, goodbye.
Should i go back and try to graduate	I miss (9) town
Life's better now than it was back then	I miss the faces
f I was them I wouldn't let me in	You can't erase
Oh, oh, oh	You can't replace it
Oh, god, I	I miss it now
Every memory of looking out the back door	I can't believe it
had the photo album spread out on my bedroom floor	So hard to stay
t's hard to say it, time to say it	Too hard to (10) it
Goodbye, goodbye.	If I could I relive those days
Every memory of (4) out the front door	I know the one thing that would never change
found the (5) of the (6) that I	Every memory of looking out the back door
was looking for	I had the photo album spread out on my bedroom floor
t's hard to say it, time to say it	It's hard to say it, time to say it
Goodbye, goodbye.	Goodbye, goodbye.
Remember the old arcade	Every memory of walking out the front door
Blew every dollar that we ever made	I found the photo of the friend that I was looking for
The cops hated us hangin' out	It's hard to say it, time to say it
They say somebody went and burned it down	Goodbye, goodbye.
We used to (7) to the radio	Look at this photograph
And sing along with every song we know	Everytime I do it makes me laugh
We said someday we'd find out how it feels	Everytime I do it makes me
To sing to more than just the steering wheel
