

Fill in the gaps

Look at this photograph	I was so nervous that I (13) missed
Everytime I do it makes me laugh	She's had a (14) of kids (15)
How did our eyes get so red	then
And (1) the hell is on Joey's head	I haven't seen her (16) god knows when
And this is where I grew up	Oh, oh, oh
I think the present owner fixed it up	Oh, god, I
I never knew we'd ever (2) without	Every memory of looking out the back door
The second floor is hard for sneaking out	I had the (17) album spread out on my bedroom
And this is where I went to school	floor
Most of the time had better things to do	It's hard to say it, time to say it
Criminal record says I broke in twice	Goodbye, goodbye.
I must have done it half a dozen times	Every memory of (18) out the front door
I wonder if it's too late	I found the photo of the (19) that I was looking
Should i go back and try to graduate	for
Life's better now than it was back then	It's hard to say it, (20) to say it
If I was them I wouldn't let me in	Goodbye, goodbye.
Oh, oh, oh	I miss that town
Oh, god, I	I miss the faces
Every (3) of looking out the back door	You can't erase
I had the photo album spread out on my bedroom floor	You can't replace it
It's hard to say it, (4) to say it	I miss it now
Goodbye, goodbye.	I can't believe it
Every memory of (5) out the front door	So hard to stay
I found the (6) of the (7) that I	Too hard to (21) it
was (8) for	If I could I relive (22) days
It's hard to say it, time to say it	I (23) the one thing that would never change
Goodbye, goodbye.	Every memory of (24) out the
Remember the old arcade	(25) door
Blew every dollar that we (9) made	I had the photo (26) spread out on my
The cops hated us hangin' out	(27) floor
They say somebody went and burned it down	It's hard to say it, time to say it
We used to listen to the radio	Goodbye, goodbye.
And sing along with every song we know	Every memory of walking out the front door
We said (10) we'd (11) out how	I found the photo of the friend that I was looking for
it feels	It's (28) to say it, time to say it
To sing to (12) than just the steering wheel	Goodbye, goodbye.
Kim's the first girl I kissed	Look at this photograph
	Everytime I do it (29) me laugh
	Everytime I do it makes me
