

## Fill in the gaps

I'm broken, do you hear me	When he lays you down, I might just die inside
I am blinded, but you are (1) I see	It just don't feel right
I'm dancing, alone	Cause I could love you more than this
I'm praying, that (2) heart will just turn around	Yeah
And as I walk up to your door	I never had the words to say
My head turns to face the floor	But now I'm asking you to stay
Cause I can't (3) you in the eyes and say	For a little while inside my arms
When he opens his arms and (4) you	And as you close your eyes tonight
(5) tonight	I pray that you will see the light
It just won't feel right	That's shining from the stars above
Cause I can love you (6) than this	Now I say
Yeah	When he opens his arms and holds you close tonight
When he lays you down, I might just die inside	It just won't feel right
It just don't feel right	Cause I can love you more than this
Cause I could love you more than this	Cause I can love you more than this
Can (7) you more than this	When he lays you down, I might just die inside
If I'm louder, would you see me	It just don't feel right
Would you lay down in my arms and rescue me	Cause I could (8) you more than this
Cause we are the same	Yeah
You save me	When he opens his arms and holds you close tonight
When you leave it's gone again	It just won't feel right
Then I see you on the street	Cause I can love you more than this
In his arms, I get weak	Yeah
My body fails, I'm on my knees	When he lays you down, I might just die inside
Prayin'	It just don't feel right
When he opens his arms and holds you close tonight	Cause I (9) love you more than this
It just won't feel right	Could love you more than this
Cause I can love you more than this	
Yeah
