I'm broken, do you hear me	When he lays you down, I might just die inside
I am blinded, but you are everything I see	It just don't (5) right
I'm dancing, alone	Cause I could (6) you more than this
I'm praying, that your heart will just turn around	Yeah
And as I (1) up to your door	I never had the words to say
My head turns to face the floor	But now I'm asking you to stay
Cause I can't look you in the eyes and say	For a little while inside my arms
When he opens his arms and holds you close tonight	And as you close your (7) tonight
It just won't feel right	I (8) that you will see the light
Cause I can (2) you more than this	That's shining from the stars above
Yeah	Now I say
When he lays you down, I might just die inside	When he opens his arms and holds you close tonigh
It just don't feel right	It just won't feel right
Cause I could love you more than this	Cause I can love you more than this
Can love you more than this	Cause I can love you more than this
If I'm louder, would you see me	When he lays you down, I might just die inside
Would you lay (3) in my arms and rescue me	It (9) don't feel right
Cause we are the same	Cause I could love you more than this
You save me	Yeah
When you leave it's gone again	When he opens his arms and holds you close tonigh
Then I see you on the street	It just won't feel right
In his arms, I get weak	Cause I can love you more than this
My body fails, I'm on my knees	Yeah
Prayin'	When he lays you down, I might just die inside
When he opens his arms and holds you (4)	It just don't feel right
tonight	Cause I could love you more than this
It just won't feel right	Could love you more than (10)
Cause I can love you more than this
