

## Fill in the gaps

## The Start Of Something Good by Daughtry

You never know when you're gonna meet someone	I know that it's gonna take sometime
And your whole wide world in a (1)	I've got to admit that the thought has crossed my mind
(2) undone	This might end up like it should
You're just walking (3) and suddenly	And I'm (15) say (16) I need to say
Everything (4) you thought (5) you	And hope to god that it don't scare you away
(6) about love is gone	Don't (17) be misunderstood
You find out it's all (7) wrong	But I'm starting to believe that (18) could be the
And all my scars don't seem to matter anymore	start
Cause (8) led me here to you	Cause I don't know (19) it's going
I know that its gonna take (9)	There's a part of me that (20) not knowing
I've got to admit that the thought has crossed my mind	Just don't let it end before we begin
This (10) end up (11) it should	You never know when you gonna (21) someone
And I'm gonna say what I (12) to say	And your whole wide world in a moment comes undone
And hope to god that it don't scare you away	I know that its (22) take
Don't wanna be misunderstood	(23)
But I'm (13) to (14)	I've got to admit that the (24) has crossed
that this could be the start of something good	my mind
Everyone knows life has its Ups and downs	This might end up like it should
One day you're on top of the world and one day you're the	And I'm gonna say (25) I (26) to say
clown	And hope to god that it don't scare you away
Well I've been both enough to know	Don't wanna be misunderstood
That you don't wanna get in the way when its working out	But I'm starting to believe that this (27) be the
The way that it is right now	start of something good
You see my heart i wear it on my sleeve	
Cause I just can't hide it anymore
