

Here we go, here we go

Oh oh oh

Fill in the gaps

	If you (6) party
Elevate a little higher	Oh oh oh
Let's throw a party in the sky	And I know you do
And celebrate	Oh oh oh
Elevate until we're flying	If you wanna (7)
Move, (1) your feet	If you wanna party
Until you levitate	Elevate a (8) higher
Come on let's elevate	Let's throw a party in the sky
Forget about your day	And celebrate
Under the milky way	Elevate until we're flying
I know a place where we can go	Move, move your feet
No need to be afraid	Until you levitate
Come on, I'll demonstrate	Come on let's elevate
Take you to outer space	Elevate
Here we go, here we go	Elevate
Oh oh oh	Don't even hesitate
If you wanna party	Just let it escalate
Oh oh oh	I wanna see you go
And I (2) you do	Whoaoa
Oh oh oh	Break through the ceiling now
If you (3) party	It's time to hit the clouds
If you wanna (4)	And, no, we ain't coming down
Elevate a (5) higher	Whoa whoa
Let's throw a party in the sky	Whoa whoa
And celebrate	Whoa whoa Whoa whoa
Elevate until we're flying	Whoa whoa
Move, move your feet	Oh oh oh
Until you levitate	Whoa whoa
Come on let's elevate	Elevate a little (9)
Elevate	Let's throw a party in the sky
Elevate	And celebrate
We're floating in the air	Elevate until (10) flying
Look at the view from here	Move, move you're feet
Show you what world you've never seen before	Until you levitate
We're dancing in the stars	Come on let's elevate
No matter where we are	Elevate
You better buckle up	Elevate
