What has come over me
What madness taken hold of my heart
To run away, the only answer
Pulling me away
To fall upon the night
The source of my recovery
Sweet shadow taking hold of the light
Another day has been devoured
Calling me away, begging the question
Why
For saving me from all they've taken
Letting my armor fall again
Giving me the strength to face them
Feeling it taking over now
On a path to take it all away
There can be no better way of knowing
In a world beyond controlling
Are you going to deny the savior
In front of (1) eyes
Stare into the night
Power beyond containing
Are you going to remain a slave for
The rest of your life
Give into the night
This self discovery
Redemption taking hold of my mind
A serenade of haunting voices
Calling me away

Dark maiden (2)_____ (3)____ of my hand
