

## The Night by Disturbed

What has come (1)\_\_\_\_\_ me

What madness taken hold of my heart
To run away, the only answer
Pulling me away
To fall upon the night
The source of my recovery
Sweet shadow taking hold of the light
Another day has been devoured
Calling me away, begging the question
Why
For (2) me from all they've taken
Letting my armor fall again
Giving me the strength to face them
Feeling it taking over now
On a path to take it all away
There can be no better way of knowing
In a world beyond controlling
Are you (3) to deny the savior
In front of your eyes
Stare (4) the night
Power beyond containing
Are you going to (5) a slave for
The rest of your life
Give into the night
This self discovery
Redemption taking (6) of my mind
A serenade of haunting voices
Calling me away
To feast upon the night
So much felicity
Dark maiden taking hold of my hand

Lead me away from hibernation

## Fill in the gaps

Strong and unafraid
Never a question why
For saving me from all they've taken
Letting my armor fall again
Giving me the strength to face them
Feeling it taking over now
I'm about to take it away
There can be no better way of knowing
In a (7) beyond controlling
Are you going to deny the savior
In front of your eyes
Stare into the night
Power beyond containing
Are you (8) to remain a slave for
The rest of your life
Give into the night
Give in to the night
In a world beyond controlling
Are you (9) to deny the savior
In front of your eyes
Stare into the night
Power beyond containing
Are you going to remain a slave for
The rest of your life
Give into the night
Night Night
Give into the Night
Night Night
Give into the Night
